Raines Dental Celebrates Moms in May With Free Cleanings to Say Thank You For All They Do

April 25, 2018 – Mullica Hill, NJ – Raines Dental LLC, a full service practice providing comprehensive general and cosmetic dentistry in Mullica Hill, celebrates moms in May with a month-long campaign encouraging patients to “take mom to the dentist” for a complimentary cleaning and say thank you for all they do.

“Moms are amazing. From listening and wiping tears to carpools and dinner made to order, not to mention often working at a career, one day is nearly not often enough to say ‘thanks,’” says practice owner, Jason Raines, DDS. “There are so many connections between dental and overall health. I feel fortunate to be able to provide dental cleanings for moms who may not have the opportunity otherwise. If it helps even just one woman in our community, it is all worth it.” “Take mom to the dentist” is the most recent effort Dr. Raines has implemented or supported to help those in need. Other programs have included Pink Wednesdays, Access to Care as an Albert Schweitzer Fellow, Give Kids a Smile and Dentistry From the Heart. He adds, “there is nothing more rewarding than giving back.”

Raines Dental, LLC provides comprehensive general and cosmetic dentistry, including routine oral hygiene and cleanings, fillings, dental implant restorations and root canal therapy. State-of-the-art treatments also encompass traditional and same day dentures, bridges, crowns and dental sealants plus extensive cosmetic services from bonding and porcelain veneers to teeth whitening and clear braces. Raines Dental is located at 4 Burton Lane, Suite 200 in Mullica Hill, New Jersey with flexible appointment scheduling Tuesday through Saturday and participates with most dental insurances to maximize patients’ benefits.
