In addition to receiving the financial contribution, the Raines Dental Scholarship Program winner will be highlighted on a Wall of Recognition in the practice office, joining the 2018 fellow recipient.

“High school graduation ~ a true milestone and one that marks a new chapter in life. Recognizing a star achiever is a small way I can make a big difference on the road that lies ahead,” says practice owner, Jason Raines, DDS. “Having received such a great response last year, I look forward to reading the essays once again and getting to know the participants through the local students’ writings.” The Raines Dental Scholarship Program is the most recent effort Dr. Raines has implemented or supported to help others. Such efforts have included Pink Wednesdays, Access to Care as an Albert Schweitzer Fellow, Give Kids a Smile, Dentistry From the Heart and “Take Mom to the Dentist” for Mother’s Day.
